3. GO TO STREAM SETTINGS

The screenshot displays a music management interface. On the left, a sidebar contains icons for various functions. The main area is divided into two sections. The top section, titled 'Jonatan Test' with the address 'Nordre Fasanvej, Frederiksberg, Danmark', features a 'Stream Demo' dropdown and a gear icon. Below this, there are two zone settings: 'Zone 1' with a volume slider set to 5 and 'Zone 2' with a volume slider set to 15. Both zones have a 'Source' dropdown set to 'NETWORK'. The bottom section shows a music player interface with a Spotify Connect button, the song title 'MR. BRIGHTSIDE', playback controls (play/pause, previous, next), and a progress bar showing 0:08/3:35. A green arrow points from the text 'CLICK THE SPECIFIC STREAM' to the gear icon in the top right corner of the player area.

5. SAVE AND EXIT

The screenshot displays the 'HQ Location View' interface. At the top, there's a header with 'Jonatan Test' and 'Nordre Fasanvej, Frederiksberg, Danmark'. Below this, there are two zones: 'Zone 1' and 'Zone 2', each with a volume slider. A 'Source' dropdown menu is set to 'NETWORK'. On the right, there's a 'Spotify Connect' button and a 'Stream Demo' dropdown. A 'Stream Settings' dialog box is open in the center, containing the following options:

- Enable Spotify Connect (toggle is on) with a link to [read about Spotify Connect](#)
- Combine Zone 1 and Zone 2 (toggle is off)
- Advanced Settings (dropdown menu)

A large black arrow points from the text 'PRESS SAVE & EXIT' at the bottom to the 'SAVE & EXIT' button in the dialog box.
